

## WebLayers Announces Partnership with Softworx

### Distribution Partnership to Expand Reach in Canadian Business Market

**CAMBRIDGE, MA, April 23, 2007** – WebLayers, the market leader of automated SOA governance, today announced the appointment of SOFTWORX Technology Group as a distribution partner for Canada.

“SOFTWORX has been at the forefront in delivering SOA governance solutions to major enterprises throughout Canada. There is a tremendous market opportunity as enterprises are rapidly developing and deploying applications based on Service Oriented Architectures and our partnership with SOFTWORX will enable us to accelerate our lead in the SOA governance market,” said Gregg Bjork, CEO of WebLayers.

“WebLayers is the market leader for policy management solutions to automate SOA Governance. Many of our Canadian customers have been growing the number of their Web Services and have been looking for central policy management,” says Robert Ashall, partner at Softworx Technology Group. “WebLayers is a strategic fit with our existing SOA product offerings and we are pleased to distribute their product line here in Canada.”

#### About WebLayers

WebLayers is the market leader for automated SOA governance.

WebLayers Center™, the company’s flagship product, is a policy management solution that automates what has traditionally been a manual, labor intensive process of enforcing governance policies. In use today at many of the world’s largest companies and government agencies, WebLayers Center is the only solution to ensure compliance throughout the lifecycle which provides the necessary visibility and guidance to govern effectively.

WebLayers is also the founder and coordinator of The SOA Forum, an industry roundtable of executives who are mandated with the challenging mission of driving a Service Oriented Architecture (SOA) within their organizations. The SOA Forum is celebrating over three years of successful and interactive collaboration between its members. Today the Forum includes over 1,000 members representing more than 350 organizations.

A private company founded in 2002, WebLayers is headquartered in Cambridge, Massachusetts. For more information please visit [www.weblayers.com](http://www.weblayers.com).
